

## Six Touring Motorists Will Be "Guests" Of Gettysburg During Pennsylvania Week

Six tourist parties will be "guests" of Gettysburg for a day and a night during Pennsylvania Week, October 10-16, Leroy E. Smith, Adams County chairman for the week, announced today. It will be the highlight of Gettysburg's observance of the special week.

Out-of-town cars will be stopped at random by State Police and a local committee on the Emmitsburg Road, the official entrance into Pennsylvania through Gettysburg, and invited to be the guest of honor of the town.

They will be given a dinner and motel accommodations, both provided each night by a different member of the Travel Council. They will be given a corgie by the Wayside Flower Shop. Arrangements are being made with local service stations to give them a free tankful of gasoline.

**Will Tour Battlefield**  
They will be taken on a tour of the battlefield, and through the various museums. They will be interviewed on WGET. Their picture will appear on the front page of the Gettysburg Times, and the articles will be sent to their hometown newspapers.

On Tuesday night, the guests of honor will be taken to the regular dinner meeting of the Exchange Club, where they will hear a talk on Pennsylvania Week. The Junior Chamber of Commerce is also planning to sponsor an evening, and other service and civic organizations are invited to participate.

LeRoy Smith, president of the Travel Council, is assisted by William S. Ayre, chairman of the Pennsylvania Week Committee of the Travel Council, and Mrs. Robert B. Beinhart and Robert H. Deardorff, co-chairmen.

**Asks Cooperation**  
Mr. Smith states: "We hope that all the people of Gettysburg will open their arms to our visitors. We want to demonstrate the hospitality of our townpeople. And we hope that the merchants will have some different and unusual displays."

"We are trying to impress people all over the country with the friendliness and the hospitality of the Nation's Greatest Historical Shrine."

## PLEADS GUILTY TO CODE CHARGE

Charles C. Carey, Seven Stars, pleaded guilty to a charge of failing to stop after an accident before Justice of the Peace Robert P. Snyder, Friday afternoon. He was released in \$500 bail for his appearance in court in November. He was arrested on Chambersburg St. by borough police.

The accident occurred at 5:20 p.m., as Carey was driving west on Chambersburg St., from Lincoln Square. According to Borough Officer Raymond E. Menges, Russell Murray, R. 3, was backing into a parking space on the north side of the street. Carey, he said, either "did not see or was unable to stop, to allow Murray to back into the curb. The right front fender of Carey's pickup truck struck Murray's left front fender. Carey (then) backed his truck into the car which had stopped behind him, which was being driven by Charmaine Schrade, R. 5. The tailgate of the truck struck the left headlight and left front fender of Miss Schrade's car."

"Murray said that he called to Carey, but the latter didn't stop and drove away. Rev. Victor Meredith, 625 Highland Ave., saw the accident, and drove after Carey for several blocks. At Buford Ave. he caught up to him, and told him to stop."

Damage was estimated at \$70 to Miss Schrade's car, and \$10 each to Murray's car and Carey's truck.

**Red Czechs Release Yankee Soldiers Kidnap Sept. 17**  
WAIDHAUS, Germany (AP)—Two American soldiers imprisoned in Communist Czechoslovakia since Sept. 17 as suspected spies returned to free West today.

1st Lt. Richard H. Dries of St. Albans, Long Island, N.Y., and Pfc. George Pick of 4507 Placid Place, Austin, Tex., were liberated by their Czech captors at this lonely little West German checkpoint.

It ended a two-week ordeal which began when a roving Czech patrol seized them near Eslarn, Bavaria, while the pair was on a routine border mission.

After their arrest, Czechoslovakia charged the two were inside Czech territory on an espionage mission. A note accused them of "photographing military installations and carrying out observation with field glasses."

Army headquarters here rejected the charges, declaring the sol-

## FAIRFIELD GIRL BECOMES BRIDE THIS MORNING

Miss Mary Naomi Musselman, daughter of Mr. and Mrs. Ralph Musselman, Fairfield, R. 1, became the bride of Charles Allen Bowling, son of Mr. and Mrs. Harry Bowling, of Fairfield, at 10 o'clock this morning in St. Mary's Catholic Church, Fairfield, at a nuptial mass. Rev. Fr. John McAnulty, pastor, officiated at the double ring ceremony which was performed before an altar decorated with white chrysanthemums and pink carnations and lighted candles.

Mrs. Harry Pecher, organist, played traditional wedding marches. The bride, given in marriage by her father, wore a white ballerina-length gown of white tulle over satin designed with a strapless bodice and a white Chantilly lace jacket with long sleeves tapering over the wrists. Her fingertip veil of illusion net was attached to a cap of sequins. Her bridal bouquet was a cascade arrangement of white carnations with blue delphinium, ivy and feverfew.

Her maid of honor was Miss Irene Bowling of Fairfield, sister of the bridegroom. She wore a ballerina-length blue net gown over taffeta designed with puffed sleeves. Her bouquet was a cascade arrangement of yellow carnations, ivy and feverfew. She wore a headband of matching flowers.

**Reception Follows**  
The best man was Charles Rosensteel, Fairfield R. 1, brother-in-law of the bride. The ushers were Dale Bowling of Gettysburg R. 2 and Clair Bowling, Fairfield R. 1, brothers of the bridegroom.

Immediately following the ceremony a reception was held at St. Mary's Church grove social hall. Later the couple left on a wedding trip of unannounced destination. Upon their return the bride, an employee of the Gettysburg Shoe Company, will reside at the home of her parents. The bridegroom, who is serving with the U. S. Navy, will return to his home port at Portsmouth, Va., from which he will leave on a naval tour of duty on the USS Randolph.

The mother of the bride wore navy blue with matching accessories and a corsage of red roses. The mother of the groom wore navy blue with a matching corsage of yellow roses.

Both attended Fairfield High School.

**HOLD GUIDANCE MEET TUESDAY**  
The Placement Bureau of Mount St. Mary's College, Emmitsburg, will sponsor a round table discussion of "Occupational Guidance" Tuesday evening at 7 o'clock in Bradley Hall, Francis X. Moritz, personnel director of the Baltimore Salesbook Company, will lead the discussion. Gerald Orosz, director of placement, and the Rev. Dr. Joseph B. Tremonti, C.S.V., director of guidance, will also be members of the panel.

The program will be directed for the 185 freshmen and will be the first of a series. Throughout the year the placement office will offer other discussions by representatives in industry, government services, and social agencies.

As a part of the Tuesday program, Dr. John Morrison, chairman of the new Honors Program, will indicate the advantages of the honors course for the students who hope to enter professional schools. The Honors Program will also be supplemented by participants from the legal profession, medicine and other professions.

**THURSTON GETS SCOUT AWARD**  
Award of the Silver Antelope for distinguished service to boyhood was made to L. R. Thurston, president of The United Telephone Company of Pennsylvania, Friday night at the annual meeting of Region III, Boy Scouts of America held in the Hotel Roanoke, Va.

Over 500 scouting leaders from Pennsylvania, Delaware, Maryland, Virginia and the District of Columbia participated in the annual meeting.

The United Telephone Company executive has been active in Boy Scouting for over 18 years having served scouting in many capacities. At the present time, Thurston is vice-chairman of Region III, Regional Committee, and a member of the executive board of the Keystone Area Council. He is immediate past president of Keystone Area Council, a position he served for five years. Prior to his election to the council presidency, he was finance chairman and a member of the executive board.

The Silver Antelope Award is presented by The National Boy Scout Council, in recognition of distinguished service to boyhood. A long record of noteworthy service of exceptional character is a prerequisite to being considered for the award.

Mr. Thurston is a frequent visitor and well known here.

**Warrenfeltz Rites Conducted Friday**  
Funeral services for John M. Warrenfeltz, who died Tuesday at his home, Gettysburg R. 2 at the age of 76, were held Friday afternoon at 1 o'clock at the Allison Funeral Home at Fairfield with further services at 3 o'clock at the United Brethren Church of Myersville, Md. The Rev. A. W. Geigley, the Rev. Mark Michael and the Rev. Roger Keech officiated. Interment was at Mt. Zion Cemetery, Myersville.

Six grandsons served as pallbearers. They were James, Lawrence and Joseph Kolb, James and William Warrenfeltz and William Anderson.

**BIRTH ANNOUNCEMENTS**

## RE-DECORATED EUB CHURCH TO BE USED SUNDAY

Members of the Evangelical United Brethren Church will return to regular church and Sunday School services in their own re-decorated building on Sunday morning after holding services in the county court house since early June.

The sanctuary and Sunday School rooms of the W. High St. EUB Church have been re-decorated at a cost of about \$7,500 with the work not yet complete but having progressed to a point where the church auditorium can be used.

Sunday School will be held at 9:30 a.m. and the morning service at 10:30 o'clock.

**To Build In Spring**  
A special re-opening and re-dedication service is being planned for Sunday, October 17.

The congregation already has given approval for a building program in the spring to enlarge the Sunday School quarters but it has not yet been decided whether the new construction will be on the front or rear of the present structure.

While the congregation was meeting in the court house, the church and Sunday School hours were combined into a "united" service each Sunday morning.

The Rev. Harold V. March is the pastor.

## Harrisburg Rd. Work Is Nearly Finished; Far Ahead Of Schedule

Already "400 per cent ahead of schedule" in the words of the boss, Ralph V. Daniel of Camp Hill, the task of surfacing an 8½-mile section of the Harrisburg Rd., north of here, will be finished by the middle of next week.

Making use of the most modern machinery and methods of road repair, the 21,000 tons of black top have been applied while traffic continues to move although one-way traffic had to be maintained around points of operation most of the time. Several workmen were hit by passing cars but all escaped with minor injuries, Daniels said.

Work started in mid-August and Daniels had 100 days to finish the job. By the middle of the week the surfacing will have been completed and only the work on the shoulders will remain to be done. Two or three weeks will complete that final operation.

**Extensive Patching**  
Surfacing work began only on September 9. It was laid first between Heidlersburg and Schriver's Cross-

## Youth Badly Cut In Morning Crash

Ernest Walker, 18, New Oxford R. 2 was treated at the Warner Hospital this morning about 6:30 o'clock for a bad laceration of the nose, upper lip and left ear.

He is reported to have suffered the injury when his auto ran off the highway and crashed when Walker fell asleep at the wheel about 6 o'clock today. The accident occurred between New Chester and New Oxford. No state police report was available this morning on the mishap.

## NEAR RECORD TRAFFIC TOLL IN SEPTEMBER

One person was killed, 38 were injured, and property damage totaled \$77,170 in 43 accidents on Adams county highways during September.

State police, completing their recapitulation of last month's activities found that the month ranked among the highest in carnage on the roads throughout the county.

The month was slightly lower than the all time high of 46 crashes set in September, 1953, when two people were killed, 28 were hurt and property damage was \$47,120.

**Comparative Figures**  
But while last month was lower than September a year ago in the number of accidents and the number killed, it was much higher in the number injured and the amount of property loss.

Two years ago there were only 36 accidents in September, with 17 hurt, two killed and damage totaling \$9,410.

Compared to August, last month's accident toll shows an increase. There were 39 crashes in August, in which two persons were killed, 29 hurt and damage was estimated at \$18,287.

**Can't Be Explained**  
There were no clear reasons why September should prove to be exceptionally accident-prone, police said. Nor was there any apparent reason why eleven of the crashes should occur on Tuesdays, while the Friday, Saturday, Sunday figures, usually among the highest in number of accidents, should be less than the number on Tuesdays. Police generally anticipate more accidents over the week ends because of larger numbers of cars on the road, and a letdown of caution during the periods when most drinking is believed to occur.

Friday proved among the most accident free days of the week during September. There were only two crashes on Fridays and Wednesdays. Monday proved worse than the week end with eight accidents on that day as compared to six on Sundays and seven on Saturdays. Thursdays had seven crashes.

**84 Traffic Arrests**  
During the month the officers at the local sub-station spent 341 hours on criminal investigations, 1,245 hours on traffic duty, 1,287 hours on station duty and 400 hours on special assignments.

They traveled 21,900 miles as drivers of state-owned cars and 210 miles on motorcycles. They traveled 2,900 miles as passengers in state owned cars and went 305 miles in their own personal cars while on duty.

They made 414 patrols, conducted 20 investigations into criminal activities, and made 12 state department and three other investigations. Fifteen arrests on criminal charges were made and 84 arrests on traffic violations. Fourteen convictions on criminal charges were secured and 68 convictions on traffic charges.

**S. S. AT 9:30 SUNDAY**  
Sunday School will be held at 9:30 a.m. Sunday at Christ Lutheran Church instead of 10:30 as listed Friday. Holy Communion services will be held at 9 and 10:45 a.m.

**W. W. EISENHART TELLS DAR OF HOLY LAND TRIP**  
Willis W. Eisenhart, Abbotstown, former superintendent of schools in Tyrone, described his recent Bible lands cruise Friday evening at the opening fall meeting of the Gettysburg Chapter, DAR, at 7:30 o'clock in the YWCA.

"My interest in Bible study over a period of 50 years was my principal reason for joining in the Bible lands cruise from February 24 to April 15," he said. "For years I had hoped that I might see the traditional places for information about which, as a teacher of Sunday School classes, I had searched the Bible commentaries and histories, biographies of patriarchs, prophets and other outstanding characters, both Jewish and Christian. To be sure, I was fascinated by pictures of places, as also by the geography of Bible lands, but somehow it seemed that I must see Palestine to be satisfied."

roads and then workmen started at the borough line on Harrisburg St. and worked northward toward Schriver's.

Daniels estimates that the new surface should last 10 or 11 years. Before the surfacing was applied, 3,500 square yards of patches were laid. The patching was a complicated operation in itself. First the old blacktop was removed, then a pavement breaker was used to crush the concrete that was laid in 1922 on most of the stretch under repair, then a grade-all which is an ingenious and versatile power shovel excavated through the old road for the new patch of concrete.

**Inject Hot Asphalt**  
After the patching, power drills bored holes along the center of the highway at 10-foot intervals and hot asphalt was forced under the highway to fill holes and keep out water that could cause winter damage. Between 60,000 and 70,000 gallons of the asphalt is being used at the rate of 24 gallons per square

**BANK IS NAMED PLAINTIFF IN DAMAGE ACTION**  
The Adams County Court in an opinion handed down this morning added the Littlestown National Bank as a plaintiff in the action brought by Charles E. Benchoff against the Western Mutual Fire Insurance Co. of York County, the Codorus and Manheim Mutual Protection Insurance Co. of York County, Paradise Mutual Fire Insurance Co. and Protection Mutual Fire Insurance Co. of Littlestown.

Benchoff, as owner of a farm, had sued the insurance companies for payment of damage to his barn caused by a windstorm. The Littlestown National Bank held a mortgage on the farm.

Two of the insurance companies first filed objections that because of mortgage clauses in the policy the bank "was the real party in interest in the matter" and claimed that Benchoff could not bring suit alone.

**Files New Petition**  
These objections the court overruled previously and the insurance companies then filed a petition asking that the Littlestown National Bank be joined as a plaintiff in the action. So that when the case is finished the insurance companies will not find themselves in a position where they may be sued again—this time by the bank—in the same matter.

The court held in its opinion today "the contracts of insurance in this case created rights in two different persons and insured two different interests. The defendants are entitled to the protection afforded them under the interpleader proceedings."

The court also held that Benchoff "will not be prejudiced in any way by allowing the interpleader. If the bank does not have a valid claim, it does not see fit to assert a claim, it will be barred from instituting a second action later . . . If the bank asserts a valid claim, the proceeds must be applied to (Benchoff's) credit on his mortgage."

**WILL ASSIST AT RITES**  
Dr. Carl C. Rasmussen, professor of theology at the Lutheran Theological Seminary, will assist at the Holy Communion services at Messiah Lutheran Church, Harrisburg, Sunday morning.

## Legion To Install Officers On Monday

New officers of the Albert J. Lentz Post of the American Legion will be installed Monday evening at a meeting to be held at the post home at 8 o'clock, Adjutant William T. Timmins Jr., has announced.

Newly installed 22nd District Commander Paul B. Fox, himself a past commander of the Albert J. Lentz post, will officiate at the installation.

Rev. Fr. Anthony F. Kane, pastor of St. Francis Xavier Catholic Church here, will be the speaker at the meeting as part of the American Legion "Back To God" program.

**COUNCIL TO MEET**  
A regular meeting of the Borough Council will be held Monday evening at 7:30 o'clock in the council chamber at the fire engine house.

**MISS KIDWELL, DEAN M. GARRETT TO WED TODAY**  
Pastel-colored gladioli, white chrysanthemums, palms and ferns will form the setting for the marriage of Miss Mary Rosalee Kidwell, daughter of Mr. and Mrs. Robert L. Kidwell, 68 E. Water St., and Dean

**BENDERS HOME FROM MEETING**  
Mr. and Mrs. J. Milton Bender, of the Bender Funeral Home, 125 Carlisle St., have returned from the National Selected Morticians' 37th annual meeting, at the Edgewater Beach Hotel, Chicago.

Nationally known speakers included General Mark Clark, speaking on Far Eastern affairs; Dr. Gregor Zeimer who spoke on "America Leads but Where Are We Going?" and Dr. Charles W. Lory, head of the Foundation for Religious Action, who gave his diagnosis of "The Anatomy of Communism."

There was also discussion of the influence of American customs on funeral service in the British Isles, by an overseas representative from England, Arthur H. (Red) Motley, president of Parade Magazine, spoke on "Use It Or Lose It."

A program for the ladies included "Character Sketches" by the famed dramatist, Cornelia Otis Skinner.

National Selected Morticians "is a selective organization with headquarters in Evanston, Ill. It invites into membership only those firms which are recognized leaders in the field and conform to the highest ideals in funeral service. The association's aims are improving service to the public and maintaining the highest standard of character and moral responsibility by its members," Mr. Bender said.

**WILL ASSIST AT RITES**  
Dr. Carl C. Rasmussen, professor of theology at the Lutheran Theological Seminary, will assist at the Holy Communion services at Messiah Lutheran Church, Harrisburg, Sunday morning.

**Plan C-D Meeting At York Springs**  
Plans for a Civil Defense meeting in York Springs Fire Hall at 8 p.m. October 20 were announced today by Harry M. Fasick, CD Director for the area.

Military and civilian heads of various phases of civil defense will be speakers at the session. Movies will be shown and the York Springs High School band will play under the direction of Dale Roth.

Mr. Fasick also announced the appointment of Mrs. Nettie Bowers of York Springs as chief of the welfare-mass care center to be established as part of the Civil Defense organization in that community. Her deputies will be announced in the near future.

Details on Civil Defense activities in the York Springs area will be presented by Mr. Fasick October 11 at 2:45 p.m. over a Lancaster television station.

**U.S. Will Send Navy-Directed Expedition To The Antarctic**  
DENVER (AP)—President Eisenhower's headquarters announced today the United States will send a small Navy-directed expedition to the Antarctic, an area of great potential strategic importance in the event of war.

The announcement said the decision to dispatch an icebreaker to the southern polar area "is in line with continuing United States interest in the region."

## Report 702,046 Tourists Visited Town In Last Year; Shows Increase Over 1953

## PEACH PRICES EDGE HIGHER AT MART TODAY

Peach prices advanced moderately, potato prices weakened slightly but otherwise prices remained about the same as last week at today's Farmer's Market.

Generally peaches advanced to 25 cents a quart, 40 cents a two-quart basket, and farmers attending the market said next week will see the last of this year's peach crop on the stands.

Potatoes generally were selling at about 85 cents a peck, \$1.50 a half bushel, a decline from the top of \$1.75 a half bushel of a week ago.

**Top Apple Price Steady**  
There appeared to be some strengthening in apple prices, but variations there are so wide that it was difficult to determine a clear trend. The top price of \$4 a bushel remained constant, but with better quality fruit flowing to the stands, more higher priced apples were available than in prior weeks. The price range is dictated by variations in quality of the apples offered, various varieties and the demand for them. Pears were 20 cents a quart box.

Corn continued in good supply at from 30 to 40 cents a dozen, depending on size and quality. Egg prices remained at 50 to 55 cents a dozen generally.

**Other Produce**  
Lettuce was 15 cents a box, grapes 15 cents a box; tomatoes 20 cents a quart box, and from \$1.25 to \$1.50 a half bushel; plums were 20 to 25 cents a box; lima beans were 30 cents a pint, 60 cents a quart box; squash, five and 10 cents apiece; eggplants, 10 cents apiece; cabbage five cents a pound; carrots, 10 cents a bunch; beets, 10 cents a bunch; cucumbers, 20 for five and up, depending on size; chicken continued at 55 cents a pound, with select pieces, 75 cents a pound; cream was 40 cents a pint, cup cheese, 25 cents a pint; cottage cheese, 20 cents a pint; potato salad, 25 cents a pint; bread, pies, rolls, and cakes were available in large quantities at regular prices.

Large dahlias were five cents apiece; small dahlias, 10 cents a bunch; snapdragons, 20 cents a bunch; zinnias, 10 cents a bunch and other fall flowers were available at varying prices.

## CENSURE JURY MAY BE CHANGED IN NOVEMBER

By JOE HALL  
WASHINGTON (AP)—The "jury" of senators which will convene Nov. 8 to pass on censure of Sen. McCarthy (R-Wis.) may undergo some changes before there's a showdown vote.

The uncertainty of the jury's makeup results from the large number of senators serving temporarily by appointment because of deaths. Nine senators have died in the 83rd Congress, an unusually high number.

Senate authorities said last night the total of 10 appointees—the 10th is Sen. Thomas H. Kuchel (R-Calif.), named to succeed Vice President Nixon—was the highest in their memory.

At least seven appointed senators could be displaced by successors elected Nov. 2, but it is uncertain in each case whether the elected successors would actually take office before the censure vote.

**May Increase Appointees**  
How many new names might go on the Senate roster can't be predicted now because (1) nobody knows how long the censure debate will last and (2) different states have varying dates for sending their special election winners to Congress. Nov. 23, for example is one state's date.

The number of appointees who could be displaced might increase to eight if a special election is held in Nevada to fill out the 1951-57 term of Sen. Pat McCarran, who died Tuesday.

Nevada's governor has appointed Republican Ernest Brown as McCarran's successor. State Democrats say the seat should be filled by special election Nov. 2 and they've picked a candidate. Brown is the GOP choice if an election is held.

Senate authorities say a special election vote can be sworn in once the state has certified him as the winner. In any case, that wouldn't be until a number of days after the Nov. 2 election.

**Certification Dates**  
In North Carolina, for instance, the certification date is Nov. 23. Thus Sen. Alton A. Lennon, now holding a seat by appointment but defeated in the primary, will stay on until at least that date. Nevada's certification date can't come before Dec. 1.

These are the appointed senators certain to be displaced this fall since they did not seek election or were beaten for nomination:

Robert W. Upton (R), New Hampshire; Mrs. Eva Bowring (R) and Sam Reynolds (R), Nebraska; Edward D. Cripps (R), Wyoming; and Lennon.

These appointed senators have won party nominations but could be displaced in November if they are defeated: Thomas A. Burke (D), Ohio; and Kuchel.

Seemingly certain of staying on is Sen. Sam J. Ervin (D) North Carolina, who is unopposed in seeking election for a full six-year term.

In South Carolina, Charles E. Daniel, has been named to succeed the late Sen. Burnet R. Maybank, and can be sworn in for the seat Nov. 8. Daniel apparently will remain throughout the censure session because no one has filed for the remaining two months of Maybank's current term.

## Sunbury Principal Expires At Game

SUNBURY, Pa. (AP)—Alton Garman, 43-year-old principal of Sunbury Junior High School, collapsed and died here last night while attending a high school football game.

Garman was taken to Sunbury General Hospital where he was pronounced dead on arrival. Physicians said he suffered a heart attack.

A resident of Hummels Wharf, Snyder County, Garman is survived by his widow and a son.

He collapsed during the halftime ceremony at the Sunbury-Pottsville High School game.

## Check Witness In FCC Hearing

WASHINGTON (AP)—Lawyers for publisher — broadcaster Edward Lamb today worked on more questions to ask a Communications Commission witness who has testified for three days at a hearing into Lamb's background.

Russell Morton Brown, one of Lamb's lawyers, said he would check more information on the witness, Ernest Courcy, 54, a Mercer, Wis. resort operator, before the hearing resumes Monday.

The Commission ordered the proceeding — in recess today — to determine the accuracy of allegations that Lamb once associated with Communists and contributed to their funds.

Lamb, a resident of Toledo who publishes the Erie, Pa., Dispatch and owns radio and television stations in Ohio, Pennsylvania and Florida, denies the allegations.

In turn, he says the Commission representatives tried to induce witnesses to testify falsely against him and even offered at least one bribe for such testimony.

At issue, specifically, is whether the license of Lamb's television station at Erie—WICU—should be renewed.

faith. On the way from Damascus, I talked for about a hour to a group of high schools boys at Endrei (site of the ancient city of King Og of Bashan, conquered by Joshua); they were carrying school books which they seemed glad to show me, and which were much like the English and general science books in use in our junior high schools, except they were in Arabic. Only one of the boys spoke a little English. I was more ignorant of his language than he was of mine. The purpose of these boys was to fit themselves for service in the state. A number of English schools receive children of Arabs who wish them to learn another language. I spoke to a few such children who did fairly well in speaking English.

"People seem to be interested not only in bettering themselves through education but also in the freedoms we Americans are guaranteed by our Bill of Rights. They seem to want to shake off the thralldom of centuries of absentee landlord control. It is true that there are still dictators in some of the Near East countries, but the rulers are sensitive to the hopes and aspirations of the people everywhere I was. People seem to be enjoying a larger measure of freedom than their ancestors ever knew. I gained, however, that none of the Bible lands people want to be told what the nature of their institutions should be; they want to work out problems connected with them for themselves. In Cairo I saw two groups of people who had assembled to hear the issues to be decided in connection with the election of a president of their republic."

Mrs. Chester N. Gitt, regent, who presided, welcomed the 35 members in attendance with a special greeting for teacher members. Mrs. Alexander S. Light, treasurer, presented the 1954-55 budget. Miss Vera Schwartz, chairman of conservation, announced that the Black and McClelland cemeteries had been cleaned during the summer under DAR direction. She distributed conservation material issued by the state department of forests and waters.

Mrs. Roy E. Zinn, National Defense chairman, announced that the project for the year will be the raising of a \$65 scholarship for an Indian girl who will be sent to St. Mary's School in the western states.

The chapter voted to aid in the repairing and repainting of the foyer in Constitution Hall, Washington, D. C. Mrs. Gitt announced the transfer of Mrs. James Schwenk from the Tohickon Chapter, Quakertown, to the Gettysburg Chapter, DAR. Mrs. Zinn reminded the women to vote in November. In remembrance of Columbus Day she read a poem by George Santayana.

## Going To Conference

The women were reminded of the state conference to be held in Philadelphia October 4, 5 and 6. Mrs. Robert Ditchburn, R. 1, will serve as a page.

Mrs. H. H. Reuning, program chairman, introduced the vocalist, Dr. John Schwartz, York St., who sang "Beautiful Dreamer," "Sweet Little Jesus Boy" and "The Hills of Home." He was accompanied at the piano by Miss Mary Louise Spangler.

Rev. Victor K. Meredith, pastor of the Gettysburg Methodist Church, gave a brief talk on the Community Chest fund drive which will begin October 19. He described what the Chest means to Gettysburg as a community. A social hour ended the meeting.

FINED \$100 FOR  
HITTING NEGRO  
IN SCHOOL FUSS

By THE ASSOCIATED PRESS

Police action thwarted threats against Negro pupils attending a Maryland high school yesterday, and in Delaware pro-segregation forces hailed the removal of Negroes from a white school.

About 400 white adults and teenagers staged a demonstration in Baltimore and three Negroes leaving Southern High School were threatened. One of them, Leon Thompson, 14, was hit in the face. His assailant, 24-year-old Jack Zimmerman, later was fined \$100. Three other men were fined \$25 each for disorderly conduct. Some Negro students were escorted to safety by police, a minister and a teacher.

**36 In 1,780 Enrollments**  
The high school enrolled Negroes for the first time this year. There are now 36 in an enrollment of 1,780.

Attendance at the Milford, Del., High School returned to normal after the removal of Negroes. All except about a third of the white pupils had been boycotting classes.

Milford's new school board, reversing a stand taken by a previous board, decided to remove 11 Negroes who had been assigned to the high school.

It seemed likely that they would be sent to an all-Negro school at Dover, 18 miles away. In Dover a member of the school board, J. Leon Tarbuton, called a meeting to discuss prevention of "terrorism by lawless forces."

A group of about 200 citizens appeared at a district school board meeting in East St. Louis, Ill., to protest increased enrollment of Negroes in the Centerville Grade School near East St. Louis.

**Discuss Protests Monday**  
Paul Chitty, spokesman for the group, said about 100 have transferred from an all-Negro school to the Centerville school, which has had a few Negroes for years. A committee named by Chitty meets with the local school board Monday to discuss the protest.

yard. That process, in use for the last year or two but not used before in this county, "makes a more stable base," Mr. Daniels explained.

The blacktop itself is applied with a transit mixer. It adds water to truckloads of sand, stone and cement or powdered asphalt that is mixed automatically in exactly the right proportions at the Barber Green Continuous Mix plant at Hanover and trucked here in 11-13-ton loads. In the water-adding operation the mix is brought to a bubbling 300 degrees before it goes onto the highway.

## New Three-Inch Top

The base course is applied to a depth of 2½ inches and the finish course adds another inch. Thirty-five men have been employed on the job that has had little weather trouble.

The contract price was \$214,000 but about \$20,000 will be added to that figure because of the increase in number of patches made above those covered in Daniels' bid for the contract from the Highway Department.

Daniels also is working on road building contract jobs in Lebanon and Northampton.

If your Venetian blinds are very soiled, you may want to wash them in the bathtub. To do so, fill the tub about two-thirds full of warm soapy water, and lift the blinds in and out of the suds until they're clean. Use a sponge on stubborn spots. Rinse the blinds in clear water, hang full length to drain, then wipe dry. Weight the bottom to keep the tapes from shrinking.

Florida sent another sort of brief to the court. Atty. Gen. Richard W. Ervin filed a 243-page document which said Florida's school system would be endangered by an immediate end to segregation or by "a decree of a period of short delay."

## MISS KIDWELL

(Continued from Page 1)

Her colonial bouquet will be composed of yellow roses encircled with green carnations tinted to match the gown tied with yellow ribbon streamers.

The bridal attendants are Miss Violet Kidwell, Gettysburg, in pink taffeta, and Miss Lois Kidwell, Arlington, Va., in Copenhagen blue taffeta. The former will carry a colonial bouquet of yellow rosebuds encircled with pink carnations tied with yellow ribbon streamers and the latter carrying a similar bouquet of yellow rosebuds and pale blue carnations. They will wear matching mitts and tiaras. Both are sisters of the bride.

Philip L. Garrett, Hanover, brother of the bridegroom, will be the best man. The ushers will be Dean F. Staub and Irl Trone, both of Hanover.

The bride's mother will wear a navy blue street-length dress and pink accessories and the mother of the bridegroom, a gray street-length dress with black accessories. Both will have corsages of pink carnations and roses.

## Reception To Follow

A reception will be held at the Methodist Church social hall. The couple will leave later this afternoon on a honeymoon trip of unannounced destination. The bride has chosen as her going-away ensemble a powder-blue suit with navy accessories. She will wear a corsage of white roses and carnations taken from the center of the bridal bouquet. Upon their return they will live at 102 N. Franklin St., Hanover.

The bride was graduated from the Gettysburg High School with the Class of 1952 and has been employed at the Pentagon, Washington, D. C., for the last two years as a secretary in the Signal Corps. Mr. Garrett was graduated from Hanover High School in 1948. He

YOUNG FATHER  
OF 2 CHILDREN  
SHOT TO DEATH

PORT CARBON, Pa. (AP)—A 34-year-old father of two young children was shot and killed outside his home last night and police took a neighbor into custody for questioning.

Lewis Buono, chief of Schuylkill County detectives, said William Wilehusky, 25, is being held for questioning in the shooting. No charges were preferred.

Victim of the shooting was Albert Smulkstis, whose wife told police this story:

She and her husband went to a store last evening to buy groceries. They returned home and he took one box in the house. She and one of their daughters followed. Smulkstis went outside to get a second box. There was a shot and then another. She heard her husband shout, "get out, get out of here."

## Dies In Alley

Then Smulkstis came running through the house, blood dripping all over the floor. He ran into the kitchen and out into an alley between his home and the house next door. He died in the alley.

Police picked up Wilehusky at the home of his father, Joseph, with whom he had been living. A shotgun was found in the house. Buono said, Wilehusky had been brooding lately, the detective quoted neighbors as saying, because of a separation from his wife. He has a 4-year-old daughter.

The Gettysburg Times

TEN YEARS AGO

George P. Black Retires November 1 At Post Office: George P. Black, assistant postmaster in Gettysburg for the last 25 years and an employee at the Gettysburg post office for the last 49 years, has presented his resignation as assistant postmaster to the Postoffice Department at Washington. The resignation will be effective on November 1—40 years and one month after appointment as a clerk in 1904.

Mr. Black, who resides at 401 Baltimore Street, is a native of Cumberland township. He attended township schools and private normal schools in Littlestown and Hanover during the summers of three of his years of school teaching experience. He started teaching school in the fall of 1894 in Valley Grove school of Union township. He taught there three years and then returned to Cumberland township for five years of teaching. After his marriage to the former Verna A. Weikert of Cumberland township, they moved to Mount Joy township where Mr. Black taught school for two years. He had started his third year there when he resigned to take up his duties as a clerk at the local post office October 1, 1904.

He was assigned early to the money order and registry division and served there until he was made assistant postmaster, January 1, 1919. He served as secretary of the local Civil Service board from January 1906 to January 1940 and estimated that during that time he conducted nearly 150 civil service examinations of many types for the entire county.

LL. Sneideringer Is Wed Today: LL. James G. Sneideringer, Port Brady, Sault Ste. Marie, Michigan, son of Mr. and Mrs. H. M. Sneideringer, Hanover Street, and Miss Marian Jean Meyer, daughter of Mr. and Mrs. Albert W. Meyer, Joliet, Ill., were wed this morning. (Sept. 30) The couple were united in marriage at a nuptial mass at 9:30 o'clock at St. Raymond's Catholic Church, Joliet, Ill. The ceremony was performed by the Rev. Fr. Joseph Reilly. The attendants were Pvt. William Miller, with the Air Force at Sioux City, Iowa, cousin of the bridegroom, and Miss Marian Jean Morgan, a cousin of the bride. LL. Sneideringer graduated from Gettysburg High School with the class of 1939 and from the University of Maryland, Baltimore, in 1942. He received his officers training immediately following graduation at St. Petersburg, Fla. He is now a motor officer at Fort Brady.

Name Concert Group Leader: Mrs. P. K. Schwartz, Carlisle Street, was elected chairman of the Gettysburg Concert Association membership drive at a meeting of the association's executive committee held at the Hotel Gettysburg.

Local Officer Engaged To Wed: Mr. and Mrs. Lewis Johnson of Omaha, Nebraska, have announced the engagement of their daughter, Dorothy Susan, to Lieut. Winton Raphael Redding, son of Mr. and Mrs. Bernard W. Redding Sr., Chambersburg Street. Lieutenant Redding graduated from Gettysburg High School and managed Redding's grocery store on Chambersburg Street before he entered service August 3, 1942. He is an instructor at Dodge City Army Air Base, Dodge City, Kansas. An autumn wedding is planned.

## Today's Talk

## GIVE ALL YOU'VE GOT!

In any of life's contests, if you have given all you've got to give, there's glory for you whether you've won or lost. The will, the striving, and the spirit that you put into life are the magnificent things! Keep this thought in mind—give all you've got.

I am always inspired when watching a great baseball contest. I know that each player is giving all that he has. It's the team that wins, not the individual players of themselves. I have witnessed many a great pitcher do his very best and yet fall and be replaced. My hat is off to him as he slowly walks to the club house, sorry that he couldn't do better—but convinced that he had given all that he had to give for that day. It's that little more that you give, that tops another, that measures out your worth and standing. You know that you have sincerely contributed when you have given all you've got. Most of us give out but a portion of our storehouse. If what we have is kept too long, it is apt to grow stale or lose its full value.

What good is knowledge, stored away, but never distributed? The biggest and most valuable service that a community, or state, renders is its contribution to education. It can't have too good, or too many, fine schools. The more you have of learning, or education, the more you want to give it to others, that they may gain the thrill that you experience.

People with great wealth are not the really rich people in this world. It's those who have given away the most—especially of themselves. You wouldn't go to a money miser for comfort, love, and understanding! You would go to someone with a big heart, not a fat pocket-book! The story of the woman in the Bible who gave but two mites, which was all she had, is something upon which to meditate.

Protected, 1954, George Matthew Adams Service

## THE GRANDPA BUSINESS

You may say with a smile or a sigh or a sob  
Untrained the old fellow must come to the job.  
When the grandchild arrives, as he's waiting without,  
He must take up a trade he knows nothing about.

It's a strange sort of business.  
The methods are new.  
What he did as a father no grandpa must do.  
He'll begin with a rush and will set out to buy  
Whatever the parents think wise to deny.

There's much to the old boy that must be explained.  
To succeed as a grandpa he has to be trained.  
His time and his money he'll spend on the child  
And he'll spoil him or her if allowed to run wild.

Gettysburg-Emmitsburg Crew Flies "Mason and Dixon" Fort: Special To The Times, An Eighth Air Force Bomber Station, England (By-Mail) — Two Eighth Air Force lieutenants from Gettysburg, Penna., and a third, from neighboring Emmitsburg, Md., found themselves in a combat crew assigned to the same B-17 Flying Fortress, which by further odd coincidence bears the name "Mason and Dixon."

The Gettysburg men are the pilot, First Lieutenant Harvey W. Dickert, 21, son of Mr. and Mrs. Henry C. Dickert, of 70 West Stevens Street, and the navigator, First Lieutenant Raymond W. Spahr, 21, the son of Mr. and Mrs. Raymond Spahr, of 168 York Street. Their neighbor from Emmitsburg is the co-pilot, First Lieutenant Vernon G. Kellholtz, 21, son of Mr. and Mrs. E. F. Kellholtz, who now live at Rocky Ridge, Maryland.

Since in their heavy bombardment group, assignment of planes is by serial numbers and not by the names adorning the noses of the Fortresses, it was a matter of fate that they took over the "Mason and Dixon" which had been named for its first pilot and co-pilot.

## IKE APPROVES PLAN TO CHECK U.S. EMPLOYEES

By MARVIN L. ARROWSMITH  
DENVER (AP)—President Eisenhower has given his blessing to a new investigation program to uncover and prevent any non-criminal misconduct or improprieties on the part of federal employees in broad relation to their jobs.

And the White House says anyone who characterizes the program as a "snooping, Gestapo-like setup" aimed at prying into the strictly private life of government workers is "completely wrong."

Murray Snyder, a presidential press secretary, Thursday night announced Eisenhower's approval of the program—reportedly prompted in part by the Federal Housing Administration scandals—and said its objectives are:

1. To detect and prevent "loose practices by federal employees."  
2. To achieve "better administration" in the executive branch.

Snyder's statement confirmed a published report about creation of the program. But he declared the report was "completely wrong" in saying officials of some federal agencies have criticized it as a "snooping, Gestapo-like setup."

He also said there was no basis for a further report that the Civil Service Commission and other agencies charged with investigative work have complained that the new order conflicts with their programs.

The order, Snyder said, was worked out in cooperation with the Commission and other such agencies, and supplements rather than conflicts with their investigations.

The press secretary said the program was ordered into effect by Budget Director Rowland Hughes in a letter last June 14 to the heads of about 40 federal departments and agencies.

He said the program deals only with improper activities of government workers "short of criminal acts," which continue to be handled by the Justice Department. He said it has nothing to do, either, with the separate program for handling security risks among federal employees.

Under the new setup for dealing with cases of misconduct and impropriety, federal agencies are required to establish investigation staffs—or supplement existing staffs—under supervision of officials of no lower rank than undersecretary or assistant secretary, or equivalent status in the agencies.

Officials in charge have been directed to deliver findings to agency heads rather than to the personnel chief or other subordinates.

Snyder said the Hughes June 14 letter told agency chiefs they should keep a sharp eye open for misconduct in such situations as:

1. Employee activities involving large scale letting of contracts and government purchasing.  
2. The handling of large amounts of money or its equivalent.  
3. Activities connected with the making of government loans, or the insuring or guaranteeing of loans.

4. The granting of federal licenses or certificates, or the handling of economic regulations or law enforcement activities which might affect private interests.

## Urges Consideration On Curfew Measure

PHILADELPHIA (AP)—City council has been urged to consider further before acting on a bill imposing an 11 p.m. curfew for children under 17 years of age.

Rabbi David H. Wice of Rodef Shalom Synagogue and J. Francis Finnegan, executive director of the Crime Prevention Assn., testified on the proposed ordinance at a public hearing with council's Public Safety Committee.

"I don't say it won't help," said Rabbi Wice, "but before the committee takes any action there should be full discussion between the committee and representatives of organizations concerned with the youth problem."

The curfew had been urged by civic leaders as one means of cutting down on juvenile delinquency.

## GOP SEEKS TO AVERT VOTE ON SENATE SEAT

By The Associated Press

Nevada Republicans say they'll seek court action in the state's 17 counties to keep a U.S. Senate race off the November ballot. The Nevada Supreme Court yesterday decided to rule on the question.

The GOP wants to block a vote because it might give another Democrat the seat of the late Sen. Pat McCarran. Without a vote, a Republican would hold the seat by appointment.

Stumping the Northeast for the GOP, Vice President Nixon said last night the Communist issue should be taken out of politics. This could be done, he said, if voters support the Eisenhower administration.

Addressing a GOP rally at Newark, Conn., Nixon said the administration has a better record than the Democrats in dealing with the Communist problem because "we had no Communist skeletons in our political closet."

Democrat Adlai Stevenson last night called Nixon "the most eloquent gloom and doom prophet in America today." At a Rockford, Ill., rally for Sen. Paul Douglas (D-Ill.), Stevenson said Nixon "has told us everything else must be forgotten to secure a Republican majority in Congress or else the Republican party will be doomed."

In Nevada, Republican Gov. Charles Russell yesterday appointed Reno attorney Ernest Brown to McCarran's seat. If there is no November vote, Brown will hold the seat until January 1957.

An election would pit Brown against Alan Bible, another Reno attorney and a protégé of McCarran. Should Bible win, he would then take over McCarran's seat from Brown.

Bible was named the Democratic candidate yesterday by the state Democratic committee.

GOP National Chairman Leonard Hall said yesterday Democratic Chairman Stephen A. Mitchell should apologize to Nixon "for calling him a liar or remove his signature" from a statement of campaign ethics both chairmen signed last month.

Hall said Mitchell called a Nixon statement about the administration's security risk program "an outright lie." He said Mitchell "irresponsibly based his charge" on a misquotation.

Simpson reported. Pierce was to be tried in Federal Court at Newark, N.J.

Simpson issued a verdict of death by suicide. Pierce's body was found by his wife, Lucille, in their Whitmarsh Village home, Springfield Twp.

## LANZA'S VOICE IS IMPAIRED BY REDUCING

HOLLYWOOD (AP)—Mario Lanza's voice - from the past television debut remained the talk of the town today as the Columbia Broadcasting System confessed that old records were used on his first show.

The CBS statement, issued by J. L. Van Volkenburg, president of CBS-TV, verified The Associated Press report that two-year-old records had to be used because Lanza's quick reducing had impaired his voice.

Van Volkenburg said pre-recording had been agreed on in advance and a session was set for last Monday, but "just prior to this Mr. Lanza told us his physician had advised him it would be impossible for him to undertake this taping session and to participate in the production to the extent we had originally planned."

"In view of this we eliminated a complicated finale, and a comedy sketch which featured Lanza. We also decided that due to Mr. Lanza's physical condition we would have to use already existing records instead of newly pre-recorded ones. The decision was the sole responsibility of CBS Television."

Lanza and CBS West Coast Vice President Harry Ackerman earlier had maintained the recordings were only a week and a half old. Ackerman admitted last night, "I made a mistake." Lanza could not be reached for comment.

But the sponsor was heard from. "We are seeking assurances that nothing of this kind will be done on our future shows," declared James Cope, vice president of Chrysler Corp., which backed Thursday's "Shower of Stars" show with Lanza and Betty Grable.

from taking their children, a girl, 9, and a boy, 7, to a school bus stop. Police Chief Andrew White said Police left a note that spoke of financial reverses.

The government had charged that Pierce obtained the securities by fraud from Nancy Vadner and her brother, Norman, children of Lawrence S. Vadner, Cynwyd, Pa., former paper box manufacturer.

## Sidelights Of World Series

CLEVELAND (AP)—Monte Irvin, the New York Giant leftfielder who now has a 1954 World Series batting average of .000, is in no sense a decoy for Dusty Rhodes (500) who has come up with three pinch hits to tie a series record, every time as a replacement for Irvin.

Manager Leo Durocher, in denying Irvin is a decoy, declared: "I'm playing him—and keeping Rhodes on the bench—for the same reasons as in the first game. The situation hasn't changed at all."

The Cleveland Indians have not lost four games in a row since early July when they dropped four straight to the Chicago White Sox. This was their longest losing streak of the 1954 season.

Yesterday's victory over the Cleveland Indians was a big thrill for the slender New York Giant pitcher, Reuben Gomez, who hails from Puerto Rico—but it was not the greatest of his baseball career.

"Couple years ago I play in final game for Caribbean championship. I play for Santurce, representing Puerto Rico, and got hit to win. That was biggest thrill," he said.

The Indians weren't winning and the crowd wasn't eating.

It made for an unhappy situation yesterday for the Berio Vending Co., which has the food concession at Cleveland Municipal Stadium where the World Series is in progress.

"I'm so disgusted I can't even add up any figures," said Al Friedlander, local manager of the concern.

A happy, winning crowd eats, drinks and buys souvenirs, Friedlander explained. And the crowd yesterday was "dismal" and worried, he said.

This is a far cry from the 1948 series for Larry Doby. The In-

## Giants Tounce Cleveland For Third Straight Game; May Decide Series Today

By GAYLE TALBOT  
CLEVELAND (AP)—Fantastic as the thought might have seemed a few short days ago, the 1954 World Series of baseball could end here today, and it probably will. The Cleveland Indians, mauled three straight times by the New York Giants, do not look like a ball club with any comeback in its system.

The Giants manager, Leo Durocher, is not a kindly sort of diamond figure who might under the circumstances say shucks, fellows, let's let the poor guys win one for the sake of their wives and kiddies. Leo, who might be winding up his career as a big league pilot with this one if you can believe everything you hear, would be happy to go out with the big flourish.

If further proof was needed that the Giants were one of the most underrated teams in history going into the Series, yesterday's easy 6-2 victory before the Indians' home folks more than supplied it. For the first time in the three games played, it never looked like a contest. Never before had a dead-end audience of 71,555 gathered in one stadium.

**Medium-Rare Opposition**  
After watching them play three games, one can believe that the American League champions won their pennant over a lot of medium-rare opposition. The only other possible thought is that Manager Al Lopez's club were itself out needlessly in the final weeks trying to set a new league record for games won. It succeeded in that, but had nothing left.

Lopez's belated decision to spare Al Rosen further punishment in the third game failed to improve matters. Hank Majeski, veteran replacement for the injured third baseman, not only failed to hit in four tries, but gained the signal distinction of hitting into the first double play of the series.

It is a rather desperate gamble that Lopez is taking in sending Bob Lemon to the hill again today, but it also is a case of having almost no choice in the matter. Lemon is his best, and even though the righthander lost the opener to Dusty Rhodes' 10th inning home run at the Polo Grounds, Lopez has to hope that his big man can give another such performance with only two days of rest.

**Little May Pitch Today**  
Durocher similarly had only about one guess to make, having run through his three mound standbys and used up his relief staff to some extent. Don Liddle, the small-size southpaw who went to the Giants as a sort of throwaway in last winter's Johnny Antonelli-Bobby Thomson deal, might well be the man to close the lid on the Tribe.

True, Liddle didn't exactly impress the public in his previous series appearance, when he relieved Sal Maglie in the opener and served up the pitch that Vic Wertz used to chase Willie Mays nearly into the next county, but he can be a very cute performer at times.

As some of the Giants had predicted all along, the American League champs had more trouble with Ruben Gomez's screwball and sharp curve yesterday than they had experienced either with Maglie or Antonelli in their two previous stabs at the Giants' staff. The Puerto Rican limited them to four hits.

**Garcia Was Easiest**  
As also had been freely foreseen by Durocher's club, Mike Garcia proved much the easiest of Cleveland's famed big three to beat a tattoo on. Even Willie Mays, who had gone hitless against Lemon and Early Wynn, finally got into the act with a scoring single before Lopez gave up on the Big Bear with the score 4-0 against him.

In all, against Garcia and his three successors, the Giants bashed a total of 10 hits. It was the first really impressive hitting display Durocher's club had given, and it came at a time when the Indians were at their most helpless. Where Cleveland had left 26 runners stranded in 19 previous innings, they left only five this time.

Don Mueller chipped in with a brace of singles for the Giants, and again it was the amazing Dusty Rhodes who propelled a pinch single for the Giants' second and third runs in their crushing third-inning attack on Garcia.

**Third Pinch Hit**  
It was Rhodes' third pinch blow in as many days and tied the World Series record for that specialty. It is too bad that time appears to be running out on the man. Hoyt Wilhelm finally was given an opportunity to come in from the Giants' bullpen and serve up a few of his butterfly balls, and the circumstance strengthens the belief that Durocher is determined to hang a 4-0 beating on the American Leaguers.

Gomez went into the eighth with a three-hitter to his credit and a 6-1 lead that looked bigger than a house. Bill Glynn, pinchhitting for catcher Jim Hegan, raised a fly down the rightfield line which Mueller raced in to reach with his gloved hand, but dropped. The official scorers labelled it a hit, but they could have gotten some arguments. Glynn reached second, and proceeded on to third as Dale Mitchell, another substitute, grounded to first.

**Al Dark Mischues**  
The next Indians, Al Smith, rolled one right at shortstop Al Dark, who took plenty of time and threw one far over Whitey Lockman's head at first as Glynn scored the second Cleveland run. The two plays might have unsettled Gomez somewhat, for he then walked Bobby Avila on five pitches, but scarcely anyone in the huge park doubted that the Puerto Rican would pitch his way out of it in short order.

But one of those who held a small doubt was Durocher. He patted Ruben on the pants and brought in his killer, Wilhelm, just to make doubly sure that the quarry did not escape. Wilhelm retired the next five Indians in order to end the game.

The Giants' players were a happy bunch as they trooped into their dressing room yesterday. They were taking their victory in stride and no one yet was claiming the world championship.

Irrepressible Dusty Rhodes, who again delivered a vital two-run pinch single in the third inning, discarded the fact that he had tied a series record for pinch hits with three.

**Start Fishing Sunday**  
"Records don't mean a thing in a deal like this. We came out here to win the World Series and we're gonna do it," he said exuberantly. Asked if the Giants will wrap it up today, Rhodes replied: "Sure we will, I gotta go home Sunday and start fishing."

The Duster, also the batting star in the first two games at the Polo Grounds, was thrilled at the ovation he received when he singled in yesterday's game at Cleveland's Municipal Stadium.

"Yep, I guess that's just about

## 49'ERS, RAMS IN SPOTLIGHT

By THE ASSOCIATED PRESS  
A headon clash of Western Division powers, San Francisco's Forty-niners and the Los Angeles Rams, features a five-game National Football League schedule Saturday night and Sunday.

The New York Giants, with their newly found offensive power, play the Baltimore Colts at Baltimore, while Washington moves into Pittsburgh for a meeting with the awakened Steelers. On Sunday, the Chicago Bears and Green Bay tangle in the first game of one of the league's oldest rivalries, the powerful Philadelphia Eagles visit the Cardinals in Chicago and the Rams and Forty-niners do battle at Los Angeles.

Cleveland's Browns and the world champion Detroit Lions get a chance to rest their bruises for an extra week, thanks to the World Series. The Browns and Lions originally were scheduled to play Sunday at Cleveland, but the game has been postponed until Dec. 19 because of the series.

## Hilly Rife Takes Speedway Honors

An unusual program of three 25-lap feature races was presented patrons of the Lincoln Speedway Friday night and Hilly Rife, New Oxford, romped off with top honors.

Rife won the event for riders who had not won a feature race this year and thus qualified for the feature race which he also won. The novice race went to Laverne Neff while Jean Grinestaff took the Powder Puff race for women.

Another program will be offered next Friday.

## Delone Rallies In Third Period To Top Lancaster 7 To 6 For First Triumph

The Delone Catholic Squires captured their initial football win of the season after three setbacks by defeating the Lancaster Crusaders 7-6 in a thrilling ball game Friday evening on the loser's gridiron. In the process of winning, Delone also eliminated their first foe in the Central Penn Catholic League race.

Lancaster was the first team to hit pay dirt as they tallied early in the second frame to take a 6-0 half time lead. In the third period the Squires came roaring back on a sustained drive of 65 yards, to score and send the vital placement through the uprights.

Both teams fought a hard and close battle during the first quarter. Delone booted their way down to the Crusaders' 20-yard line before they lost the ball on a series of downs. After the ball exchanged hands several times, Delone finally received the pigskin on their own 28-yard line. On three straight line plays the Squires pushed the ball up to the 35-yard marker as the first quarter came to an end.

## Block Delone Punt

The Squires opened the second frame faced with a fourth down and three yards to go. Quarterback Punt called for the punt. Redding went back in kick formation but before he could get the ball away, Don Muehleisen, 170-pound Crusader back, broke through the line and blocked the punt and later recovered the loose ball on the Delone 12.

Bob Ward picked up five yards off tackle while Bill Voel added three more yards around end. The ball was then handed off to Ward who skirted end for the six points. Charles' plunge for the extra point was stopped.

## Win Via Placement

Trailing by six points as the second half got underway, the Squires came out of the locker rooms determined to pull their first conference tilt out of the fire. Taking the kickoff to their own 35-yard line, Delone put on a sustained drive of 60 yards that placed the ball on the Crusaders' 5-yard line. During this down field march Ralph Hardman cracked the tackle slot while Don McKenrick fringed the ends. Buddy Redding, with the help of his strong line, ripped a wide gap many times through the center of the opposing forward wall. Don McKenrick, speedy Squire half back, rounded right end to score the tying touchdown. Carl Funk replaced Redding in the booting assignment. With a perfect pass from center Funk was able to split the up-rights for the game-winning extra point.

As the game ended Delone was in possession of the ball on the Lancaster 35-yard line. The teams were greatly hampered by penalties during the game which prevented them from moving any great distance. Delone lost a total of 65 yards for not obeying the rules whereas Lancaster was tagged for

30 yards. Both teams chose to play on the ground rather through the air.

Next Thursday Westminster will meet the Squires at McSherrystown. The lineups:

## UCLA Comes From Behind And Capitalizes On Two Breaks To Defeat Maryland 12 To 7

By TED MEIER  
UCLA moved front and center among the nation's collegiate football powerhouses by whipping Maryland 12-7 at Los Angeles last night before 73,736.

The Miami (Fla.) Hurricanes likewise gained in national prestige by upsetting Baylor 19-13 at Miami.

These two Friday night games opened an impressive list of inter-sectional games carded for this afternoon and tonight.

UCLA, champions of the Pacific Coast Conference and currently ranked 4th in The Associated Press poll behind Notre Dame, Oklahoma and Iowa, capitalized on two breaks to nip the Terrapins.

Nevertheless the Bruins had to do it the hard way by coming from behind in the last quarter and then digging in to repulse a final threat from the 1953 national champions and currently ranked sixth southerners.

## Bad Punt Helps UCLA

A poor Maryland punt by Bill Walker set up UCLA's winning touchdown. The kick went almost straight up and rolled dead on the Maryland 15. Five plays later Bob Davenport, UCLA fullback, plunged over from one foot out for the winning points. Maryland drove to the UCLA 19 in a final threat but lost the ball on downs.

Davenport also bucked over for UCLA's first touchdown in the first period after a fumble by the luckless Walker gave the Bruins the ball on the Terrapin 10. Maryland marched to the UCLA 2, but the half-time gun sounded before another play could be called. The Terps got rolling again in the last quarter. They traveled

63 yards in 15 plays, scoring on an 11-yard pass, Charley Boid to Howard Dare. Dick Bielecki converted to put the Terps ahead until UCLA capitalized on Walker's poor punt.

## Surprise Victory

An 18-yard sprint by Carl Garrison in the last quarter gave Miami its surprise victory over Baylor, ranked 11th nationally. The play was set up after Gordon Malloy intercepted a Baylor aerial at midfield and returned it to the Baylor 32.

Wichita drubbed Drake 54-6. Furman blanked Presbyterian 27-0. Chattanooga took Tampa 28-6 and the Quantico Marines whipped Detroit 20-0 in other Friday night games.

Jack Conway sparked Wichita by throwing three touchdown passes, including one good for 90 yards.

## Big Games Today

Notre Dame's clash with Purdue and the Illinois-Stanford struggle in the televised (ABC) game of the week topped this afternoon's card and there is an imposing list of inter-sectional frays tonight.

Cornell, of the Ivy league, travels into the Southwest to battle Rice; Georgia Tech does likewise to tangle with Southern Methodist; Mississippi reverses the process, coming north to battle Villanova.

Other top Saturday night games pit Arkansas against Texas Christian; Vanderbilt against Alabama; Tulsa against Cincinnati; Louisiana State against Kentucky; West Virginia against South Carolina; Oklahoma Aggies against Texas Tech; Utah State against New Mexico; Brigham Young against Colorado A&M and VMI against Richmond.

## Bullets, Cannons Play On Foreign Fields Tonight

Football action on foreign fields will be offered local fans tonight.

The Gettysburg College Bullets journey to Lewisburg to open their season against the powerful Bucknell Bison.

Biglerville goes after its first victory at Boiling Springs where the strong Bubbler team will be met.

Both kickoffs are listed for 8:30 o'clock.

## BAKER WHIPS COLEY WALLACE

CLEVELAND (AP)—Bob Baker, a somewhat shopworn heavyweight hope with nine lives, is back in the scramble after whipping Coley Wallace, the motion picture version of Joe Louis.

Baker, now 28, has been threatening to become a top flight contender for years. Every time he gets close, something happens — bad hands or a knock-out.

The Pittsburgh giant, still carrying extra weight at 213 pounds, floored Wallace, a New York puncher, for nine in the fourth round last night at the Cleveland Armory but he couldn't finish him. He gave him a good going over in the ninth and tenth, however.

There was no doubt about the decision among the 2,257 fans who paid \$7.82 to watch the bout. Referee Tony La Branche had it 96-90, Judge Charley Bill 95-87 and Judge Herb Williams 94-91, all for Wallace on the "must 10" point system. The winner gets 10 points and the loser nine or less. The AP card was 96-89 for Baker.

## Undefeated Hanover Eleven Hands Warriors 33-0 Defeat In Conference Game Friday

Hanover High School made its 1954 South Penn debut a winning one by trouncing Gettysburg High, 33-0, before 4,000 at Hanover Friday night. It was the fourth straight for the unbeaten Hawks.

Sophomore Bob Forry led the Orange and Black attack with two touchdowns, one on a 60-yard punt return, to hand the Warriors their worst defeat in the series since 1947 when the score was 44-0. It was the 15th victory for Hanover in the series which began in 1927. Gettysburg has won ten and one ended in a tie.

Coach Howard Shoemaker's inexperienced and lightweight battlers made a lot of errors which cost them several opportunities to score, and set up one Hanover TD.

Forry and the Nighthawks didn't keep the spectators waiting long for the first score. Hanover kicked off to open the game and when Gettysburg was unable to advance, Sam Staley got off a beautiful punt that carried 50-yards in the air. Forry went down the side-lines to his left and raced 75 yards for the score. Jim Carbaugh's attempted placement was wide.

## Fumble Costly

Ron Williams returned the following kickoff for the Warriors to their own 36. After Williams picked up three yards, a pass from Weishaar to Williams just missed clicking with Williams in the open. Joe Tonsel took a pitchout around left end for 17 and a first down on the Hanover 46. Furney plunged through the center for 3, but a pitchout from Weishaar was fumbled and Don James recovered for the home team. The Warriors, now 0 and 2 in conference play, will be host to Wayneboro High School next Friday evening.

Hanover drove from its own 47 to the Warrior 11 where Gettysburg held for downs and took over. Williams and Tonsel took turns to carry the ball to the Gettysburg 25. Two successive penalties, one for clipping and another for illegal use of the hands, pushed the Warriors to their 1 and Staley punted out to the Hanover 45.

Wolfkill and Forry again led the advance which carried to the 1 from where Phil Bell crashed over for the score. Carbaugh's placement for the extra point was good.

## Hanover Intercepts

After Bruce Wolf intercepted a Weishaar pass, the Nighthawks were off again. The advance carried 46 yards and was climaxed by a pass from Forry to Wolfkill for the touchdown. Carbaugh again added the extra point.

Gettysburg kicked off to Hanover to begin the second half. The Warriors held and Forry punted to the Gettysburg 30. Tonsel and Williams were unable to pick up a first down and Staley punted dead on the Hanover 30.

## Can Avoid Inconvenience, Expense By Noticing Signs Of Weak Battery

By FREDERICK C. RUSSELL  
Many an old car is a joke that has gone too far.

**Feeling Battery's Pulse**  
It may seem like looking for trouble but actually it is a short cut to avoiding inconvenience and expense to know when the battery is starting to lose interest in life. A simple clue not usually noted by the average driver is the habit the lights will have to brightening when the engine is accelerated. It simply means that the battery is partially discharged and that the lights are not as bright when they are running on the battery rather than the generator.

Another clue is the speed at which the engine cranks. Assuming the oil is light enough for the weather and that the starting motor is in normal shape cranking should be vigorous, not the grunt and groan variety. Still another clue, and one that should be taken seriously, is the battery's reluctance to hold a quick charge, provided the charging is properly done. This hints of plate breakdown.

**Clean Bearings First**  
The way some people mishandle ball bearings you would think these of the car were some new-fangled thing about which there were few known facts. One of the common errors is to start spinning the balls to see if they are worn or sticking. Unless they are first cleaned and properly oiled any such "testing" is likely to damage them because mere traces of dirt or foreign matter are sufficient to cause damage.

Another mistake is to fail to put the bearings down on a clean surface. Cleaning of the bearings should be the first step because unless they are free from dirt these particles of foreign matter may be mistaken for wear during a "feel" test.

**To Your Advantage**  
Going to trade in your old car, or sell it? Well, then, better take a tip from a friend of mine who was recently shopping around for

a new car. When an appraiser started looking over the old bus he suddenly came up with the statement, "She's using a lot of oil." And how do you think he knew? Merely by a glance at the rear bumper around the exhaust pipe. There was the tell-tale cloudiness of oily exhaust gases that could easily have been rubbed off.

I mention this in fairness to all concerned because often an exhaust will smoke because of special oil, or additives used in with the engine oil, and not because the rings are badly worn.

**Mechanic Joe Speaking:**  
"Any customer who watches me when I'm trying to dope out what's wrong with his car will notice that I always ask him what else he notices about the car after he has outlined the general complaint. It is this 'what else?' that usually turns the trick."

"The other day an owner complained that the engine of his car lacked power. Well, that's a rather general complaint with cars that need attention, and it could have meant any one of a number of things, or a combination of them. When I asked him 'what else,' however, he came up with the news that the exhaust seemed to roar when he was accelerating in any gear. A pretty good indication that the power loss was due to late timing."

**Why The Squealing?**  
That squealing when you go around a curve isn't always due to carrying the tires at too low pressure but may be a combination of conditions, including the material of the highway or the foreign matter on it. What happens is that the tire tries to go one way while the car goes the other. That is the car leans outward and the tires on the outer side of the car lean inward. It is that tug of war that produces the basis for the squealing. There is obviously more squeal with the low pressures tires now in general use.

**Is It Polarized?**  
Since the generator of your car

has no fixed polarity it must always be polarized to match the battery. And if there is any question as to whether or not the generator has been properly polarized here's a simple little test anyone can make:

First disconnect the fan belt from the generator's pulley. Run a wire between the terminals of the generator regulator marked "A" and "B" and if the generator pulley then starts to turn like the generator were an electric motor the generator has been polarized. Unless properly polarized the cut-out points of the regulator will quickly burn and start a chain reaction of trouble.

**Easy One To Cure**  
If one of the car doors develops the odd habit of opening up after you think you have closed it, don't think you are in for a mystery. Just check the striker plate which will be found to be loose because the screw that holds it to the door jam is about ready to come out. I discovered one like this the other day when cleaning the striker plate prior to applying some door lubricant. A screwdriver was all I needed to tighten the plate.

**Greasing Without Mess**  
If your friends and members of the family get grease smudges on their clothing perhaps it is because you do not use the right kind of lubricant for the car's doors. The kind they use in the business not only is clean but because it doesn't melt and become messy it also does a better job. Available in stick form this can be carried in the glove compartment and won't melt even in midsummer. Before applying it is a good idea to use some cleaning fluid to remove all the old grease and dirt from door dovetails, sticker parts, sliding shoes and old lock tongues. You can also use this kind of grease for stopping those most annoying squeaks which so often develop around rubber seals and bumpers at the luggage compartment and hood.

**Can You Beat It?**  
It is always discouraging to find something wrong with the car, remedy it and then discover that it still misbehaves. Yet cars do this with alarming regularity. Recently we put a car up on a lift and discovered that the tail pipe had been striking the corner of the gas tank. You had merely to hit the pipe to get the shake and the noise which had been bothering the owner. Also there was plenty of evidence on the tank to show that the pipe was slowly but surely wearing a hole in it.

The remedy seemed sure, simple. We just loosened the rear tail pipe hanger and moved the pipe a little so that it could not hit the tank. Then we tightened the hanger. Three cheers!

But a test on the road showed that the noise was worse than ever.

**What's Your Trouble?**  
Q. There is a heavy rattle in the rear of my car. Have checked everything in the luggage compartment, even the spare tire holder, but can't seem to check it. J. N. K.  
A. This sounds like a broken hanger for the tail pipe.

Q. I have been greatly troubled with the hydraulic valve lifters on my car. Every so often one hangs up and then I get both noise and irregular motor action. Have tried special solvents in with the oil, but to no avail. There doesn't seem to be any dirt in the oiling system. A. My advice would be to drive

**MIDGET RACERS**—Micro-midget racers scoot around a dirt track at El Centro, Cal., competing for prizes donated by local merchants. The 60-inch cars can go 60 miles an hour.

the car more extensively. You are making too many short runs around the city. The engine, therefore, operates too much of the time at a too low temperature. This always is an invitation to gums in the oil which can cause stalling of the valves and the automatic lifters as well.

Q. How can I get a fine adjustment of the breaker points? On my old car I simply jacked up a rear wheel and with the car in gear (ignition off) turned the shaft until the points were fully opened or fully closed. My new car has a fluid clutch so that system is not possible. T. H. McBr.  
A. Why don't you just take off the distributor and do the checking on a workbench. There you can turn the shaft by hand.

Q. What is the life expectancy of rear wheel bearings? W. L.  
A. It may surprise you to know that this may be anywhere up to one hundred thousand miles of running. So much depends on various conditions, including the efficiency and type of the bearing itself. Some are self-sealing; others require lubrication every ten thousand miles or once a year. When wheel bearings are starting to go they tell you by their growling. It sounds like a bad tire rumble.

Q. The engine of my car quits suddenly every so often. The fuel pump is all right because I am able to drive 40 in second gear, and there seldom is any trouble on hills. Have you any idea what this might be? H. H. N.  
A. I think this indicates a sticking carburetor float. When this happens the engine simply starves.

Q. What would cause brakes to knock? I'm not sure which one is doing this, but the action is something I have never run across before. F. D. J.  
A. This indicates a scored brake drum. What happens is that the shoes of the affected brake catch in the grooves that have been cut into the drum and are moved against the drum to cause a definite mechanical knock. The drum will have to be refinished.

Q. Just what is "vapor lock"? H. M. McV.  
A. The term used to define that condition in which gasoline goes into vapor form in the lines, fuel pump or carburetor bowl.

## NIXON BOOSTS CANDIDACY OF CLIFFORD CASE

By FRANCES LEWINE  
NEWARK, N.J. (AP)—Vice President Richard Nixon spent eight hours in New Jersey Thursday boosting his party's Senate candidate Clifford P. Case and predicting a Republican victory in the state.

He said President Eisenhower must have support in Congress or "we will be pushed into a dreary two-year period of bickering stalemate."

He said Case would win in the U.S. Senate race against Democrat Charles R. Howell and New Jersey will retain its eight House seats, possibly making "a gain."

Case is already running ahead in the Senate race, Nixon told

newsmen at Curtis-Wright airport in Caldwell. He said he thought anti-Case elements of the Republican party would not affect the outcome of the election. "I am confident of solidarity by Nov. 2."

At a private reception for 200 industrialists, he said Republicans opposing Case were "plain stupid" because of the "high stakes" in the election for all Republicans.

While Case was getting a boost from the vice president, his most vociferous opponent in the party, the Committee for a Stronger New Jersey Republican Party, announced it would wage a "vigorous

and informal" campaign for former Rep. Fred M. Hartley Jr.

Hartley, co-author of the Taft-Hartley Labor law, has announced his opposition to Case, but declined to make a formal write-in campaign for the Senate seat.

The committee has opposed Case on grounds that his voting record in Congress was "too liberal" and followed closely the thinking of Americans for Democratic Action, a liberal political group.

Early Friday, the executive board of ADA in New Jersey gave both Case and Howell endorsement as qualified to run for the Senate.

Nixon told New Jersey audiences that Case was a man of "great integrity and independence in thinking."

## DEMOCRATS ARE RIDING HIGH IN DRY OKLAHOMA

Editor's Note—This is another of several stories by roving Associated Press reporters analyzing the congressional campaign in key states.)

By JACK BELL

OKLAHOMA CITY (AP)—Democrats are riding high in drought-parched Oklahoma, confident of sweeping back into their party's fold in November a state which gave President Eisenhower an 88-000 majority in 1952.

Republicans are pitching their national campaign here on a Give-Ike-a-Republican-Congress theme in the hope they can defeat Democratic Sen. Robert S. Kerr.

Although apathy is apparent among the voters, Republican leaders contend their own workers' enthusiasm gives them the best chance to elect the state's first GOP governor. There seems little likelihood that the 5-1 margin of the Democrats in the state's House of Representatives delegation will be altered.

Encouraged By Maine

Republican Reuben K. Sparks said in an interview he is highly encouraged in his race for the governorship by the fact that Maine elected a Democratic governor. He said he thinks the Maine results demonstrated a trend of in-

dependent thinking that may over-run party lines all over the nation. Fred M. Mock, the GOP candidate for the Senate, professes belief that the appeal for a Republican Congress to support Eisenhower's program will be effective, but few politicians here give Mock more than an outside chance.

Kerr, an oil multimillionaire who defeated former Gov. Roy Turner for his party's Senate nomination, appears to have consolidated a hold on the state's Democratic organization. A favorite son movement may develop for him in the Presidential race two years hence if he wins reelection on Nov. 2.

Crest Of Dissatisfaction

Kerr and other Democratic candidates are frankly riding what they term a crest of dissatisfaction with the national administration stemming from the drought that has seared many state farm-

ing areas. Kerr also is hitting hard at Eisenhower's flexible farm price support program.

Mock has endorsed that program and thus has drawn a direct issue with his opponent in a state where the farm vote often is decisive. Mock has recognized the political potentialities of the drought, explaining that the Eisenhower administration isn't responsible for the lack of rain and contending that it is doing all it can to speed relief measures.

GOP Needs Rain

There are many politicians who believe that a good, soaking rain would do more for Republican prospects in Oklahoma than any amount of campaigning. These politicians figure that the farmer who looks out on brown fields too dusty

## SIX INDICTED FOR SEDITION IN DYNAMITING

LOUISVILLE, Ky. (AP)—A grand jury probe of an alleged Communist plot in the dynamiting of a Negro's home in a white neighborhood produced indictments last night charging six persons with advocating sedition.

One of the six, all white friends of the Negro, also was indicted by the county grand jury on a charge of dynamiting the home here.

Commonwealth's Atty. A. Scott Hamilton had said during the investigation—once termed a "witch hunt"—by the newspaper employing one of those indicted—that he believed the dynamiting might have been part of a Communist plot to incite racial hatred.

The newsmen, Carl Braden, 40, a copyreader for the Courier-Journal, bought the house, then transferred it to Andrew Wade IV, a

and dry to plough for wheat planting is going to take it out on the Washington administration when he goes to the polls.

Kerr is concentrating most of his campaign fire on Secretary of Agriculture Ezra Taft Benson, although he says Eisenhower "can't escape responsibility as commander-in-chief of the forces that are bringing defeats to the people." He chided Eisenhower about the time he spends playing golf, but thus far has indulged in no all-out attack on the President.

Differ On Issues

In a contest that seems likely to be closer than the Senate race, Republicans appear to be carrying the fight to the Democrats in the battle for the governorship.

Sparks is preaching the doctrine that Oklahoma has all of the natural resources any state could ask, but lacks an "aggressive" government to take advantage of them.

The Democratic candidate for governor, State Sen. Raymond Gary, contends, on the other hand, that the drought—third worst in the state's history—and farm price supports are the top issues in the campaign.

Negro electrical contractor. Wade and his friends have contended the blast was set off by "anti-Negro hoodlums." But Hamilton expressed a belief the dynamiting was planned to make it appear Wade was being persecuted.

"Criminal Syndicalism" Jailed on charges of advocating sedition by distributing "printed matter . . . and being members of a society or assembly of persons teaching, advocating or suggesting the doctrine of criminal syndicalism or sedition or change of the government . . . by force or violence" were:

Braden and his wife, Anne. Miss Louise Gilbert, a social worker.

Miss Larue Spiker, 42, unemployed factory worker and Miss Gilbert's roommate.

Vernon Bain, a truck driver previously indicted for contempt after refusing to answer grand jury questions on Communist matters.

I. O. Ford, 79, Bain's roommate. The grand jury also charged Bain with setting off the June 27 blast.

Its report attacked the Courier-Journal, the Louisville Times and radio station WHAS, all under the same ownership, for written and broadcast material which "borders on the obstruction of justice." The newspapers and station declined to comment.

All had deplored the bombing but had been critical of Hamilton's handling of the probe.

ONE BOTTLE OF WINE

BOSTON (AP)—As required by law, William J. Gallagher has filed a report of campaign contributions in connection with his unsuccessful fight for a seat in the Massachusetts House of Representatives.

The report: "Contributions — one bottle of wine donated by a tavern-keeper. The wine was consumed by my campaign workers."

## Cry Of The Loon Alarms Pedestrians

PHILADELPHIA (AP)—If you passed the Free Library building last night and thought you heard the cry of the loon, you weren't loony.

Prof. Paul Kellogg of Cornell University was giving a lecture, using sound films he took on expeditions to the South American jungle, the Hudson Bay area and elsewhere.

The evening was warm and the doors were open. The film sound track filled Logan Square with strange bird calls. Several passers-

## MUST WORK TOGETHER

FARLAN, Ky. (AP)—The manager of the Harlan County Chamber of Commerce resigned because the money paid him, he said, could be used more advantageously for community projects.

Ben Runkle also advised the Chamber in a letter yesterday that "all the money in the world" would not help this hard-hit coal-producing area unless the citizens decided to work together for improvements.

by reported to police Philadelphia was invaded by non-local birds.

## A Newspaperboy's Route

It leads to some of life's richest rewards: the joy of useful work; the pride of being depended upon; the thrill of earning—and, last but not least, the solid satisfaction of saving.

We salute our community's newspaperboys, and congratulate them on the fine job they do. We invite them and all our young neighbors to deposit their savings at our bank, where small accounts get the same service as larger ones.
